Adventure Tourism Leadership – Level 3
2024 Course Outline

Curriculum Goals:

The Level 3 Adventure Tourism Leadership programme builds on participants' existing outdoor skills, allowing them to become more confident and skilled in different outdoor environments. The programme will focus on developing participants' leadership skills whilst engaging in challenging learning opportunities. During the programme students will prepare for, participate in and evaluate multiple outdoor expeditions, whilst also sharpening their bush survival skills and learning more about navigation in the outdoors and weather patterns.

Underpinning the curriculum is the development of crucial personal and social development skills transferable to any vocational pathway.

Entry Requirements:

This course requires students to operate in the outdoors at a high level and to be more independent in their approach to learning. It is therefore recommended that students can demonstrate the following:
