

**Curriculum Goals:**

To provide the student with an opportunity to experience working in a hairdressing salon, with a strong focus on salon standard operating procedures, the salon assistant role, providing a basic range of services, and working with clients throughout their journey in the salon.

This course is practical and experiential. Students will develop and practice basic hairdressing skills and techniques in the NMIT purpose-built hairdressing salon.

**Vocational Pathway:** Service Industries

**Learner Goals and Outcomes:** On completion of all unit standards in this course, the student will be able to:

- Demonstrate knowledge of the client journey in a salon.
- Present a personal fashion image for work in a hairdressing salon environment.
- Prepare and protect the client for hairdressing services.
- Identify a salon operator's resource requirements for the day; and maintain the operator's schedule or work and resources throughout the day.
- Maintain the cleanliness, the tidiness of reception and client areas, the level of supplies, and the laundry for a salon.
- Give information to clients and respond to enquiries in a specified workplace.
