

Salon Skills (Hair Design & Beauty Therapy)

Curriculum Goals:

To provide the students with hands-on experience within a salon setting to enhance their hair and beauty skills. Engaging in immersive real-world activities, students will explore current trends, treatments, and services, all while developing their abilities to advise, support, and provide fundamental salon treatments to clients.

Vocational Pathway: Service Industries

Learner Goals and Outcomes: On completion of all unit standards in this course, the student will be able to:

- Present a personal fashion image for work in a hairdressing salon environment.
- Protect the client for hairdressing services.
- Assist an operator in a salon environment
- Demonstrate knowledge of the client journey in a salon.
- Converse and interact with clients and operators in a salon environment.
- Provide client service and care and assist the operator to prepare for service in a beauty salon or clinic.
- Describe key concepts and maintain personal presentation for a beauty salon or clinic
- Demonstrate knowledge of current fashion trends and analyse their influence on performing beauty therapy service.
