

Curriculum Goals:

To provide students with the opportunity to develop beauty therapy skills for a salon environment. Through practical, real world learning activities, students will explore beauty therapy trends, treatments and services, and develop the skills needed to inform, support and provide basic treatments to clients in a beauty therapy salon.

Vocational Pathway: Service Industries

Learner Goals and Outcomes: On completion of all unit standards in this course, the student will be able to:

- Demonstrate knowledge of the client journey in a salon.
- Provide client service and care and assist the operator to prepare for service in a beauty salon or clinic.
- Describe key concepts related to personal hygiene and presentation and maintain personal presentation and a positive image for a commercial beauty salon.
- Demonstrate knowledge of current fashion trends and analyse their influence on performing beauty therapy service.
- Demonstrate knowledge of significant milestones in the history of beauty therapy services and related products.
- Describe the relevance of anatomy and physiology knowledge to performing facial treatments and massage treatments.
- Converse and interact with clients and operators in a salon environment.
