

**MANUFACTURING AND TECHNOLOGY**

**Take a front seat in the world of aviation on this exciting programme based in the NMIT Aeronautical Engineering workshop at the Marlborough Woodbourne Airbase.**

Learn about the principles of aircraft flight, construction and maintenance practices. Students will be introduced to aircraft engineering workshop requirements and basic assembly of aircraft structural components. This is the perfect training ground for people who learn by doing.

This programme has been redeveloped for 2017.

**Starts:** February 2017  
**Time:** 9am to 2.45pm one day a week (+ block courses)  
**Location:** NMIT Woodbourne Campus Marlborough
