

# UNIFORMED services

NEW FOR 2017

**If you want to pursue an active and exciting career path in the uniformed services but are not quite sure with which service, then this is an ideal opportunity to try them out.**

Search and Rescue, or Coastguard, or Emergency Services, or Armed Services? They all offer varied and exciting career opportunities but they're also all really different. Experience a simulated Search and Rescue exercise, help rescue a marine vessel in trouble, find out what it is really like to be a Paramedic or a firefighter, or explore the options available within the Army, Navy and Air Force. Learning is practical, active and engaging – this is a fun way to take a big step towards achieving NCEA Level 2.
